

STAFF INVOLVEMENT IN DECISION MAKING

The District maintains an environment that supports personal and organizational performance excellence by allowing all employees the opportunity to develop and use their full potential to achieve District goals and objectives.

There should be an exchange of ideas and pertinent information among all elements of a school district. Morale is enhanced when employees are assured that their voices are heard by those in positions of administrative authority.

All employees have the opportunity to bring their ideas and/or concerns to the Board through the recognized administrative channels. Final authority for all decisions rests with the Board.
