

DEVELOPMENT OF PHILOSOPHY OF EDUCATION

The Board's philosophy of education gives direction to the educational program and daily operations of the District.

Periodically, the policy committee of the Board and the Superintendent evaluate the philosophy of education. Suggestions from both the staff and community are considered.

The committee revises or confirms the existing philosophy or writes a new statement of philosophy. The committee presents its recommendation regarding a philosophy of education to the Board for adoption or re-adoption.

All building and curriculum philosophies reflect and extend the Board's philosophy. The Superintendent disseminates the Board's philosophy of education to all staff members and directs that it be published in all handbooks.
