

SCHOOL DISTRICT GOALS AND OBJECTIVES

1. Develop Mastery of Basic Skills. The District promotes the acquisition of basic comprehension, communication and computation skills to the greatest extent possible for each student. Efforts are made to offer each student opportunities to master the basic skills needed to pursue his/her chosen goals.
2. Gain Knowledge and Experience in Natural Sciences, Social Sciences, Humanities and Fine Arts. The District provides opportunities and encouragement for students to gain knowledge and experience in the sciences, humanities and arts.
3. Develop a Positive Self-Image. The District attempts to respond to each student's need to develop a positive self-image and enhances his/her ability to determine, understand and examine his/her own capabilities, interests and goals.
4. Develop Skills of Constructive and Critical Thinking. The District fosters skills of constructive and critical thinking in order to enable each student to deal effectively with conditions and problems in an independent, self-fulfilling and responsible manner.
5. Develop Skills Appropriate to a Technological Society. The District provides students with information necessary to function in a rapidly changing workplace.
6. Develop Respect for Others and the Law. The District promotes the development of students to enable them to become mature, responsible citizens with respect for the rights of others and the law.
7. Gain Lifelong Learning Skills. The District promotes an eagerness for learning which encourages each student to continue to benefit from educational opportunities beyond formal schooling.
8. Gain Understanding of Value Systems, Cultures and Heritage. The District provides an opportunity for each student to gain knowledge and understanding of social skills so that he/she is prepared to participate responsibly and successfully in a pluralistic society.
9. Gain Understanding of Economic Roles in Society. The District encourages each student to gain a critical understanding of his/her role as a producer and consumer of goods and services and of the principles involved in the production of goods and services.

10. Gain Knowledge and Understanding of the Environment. The District encourages student development of an appreciation for the maintenance, protection and improvement of the physical environment.
11. Develop Positive Health Habits and Physical Skills. The District helps students develop good habits concerning care of the body and avoidance of harmful effects of drugs, alcohol and tobacco. Lifelong physical fitness, including lifetime recreational skills, are promoted.
12. Develop Within the Community a Sense of Pride in the Schools. The District highlights the strengths of the education program and invites the community to participate in school functions.
13. Continual Evaluation and Revision of Curriculum. The District provides, through the evaluation process, a curriculum that is pertinent to student and community needs.
