

BOARD MEMBER AUTHORITY  
(And Duties)

Because all powers of the Board lie in its action as a group, individual members exercise their authority over District affairs only as they vote to take action at a legal meeting of the Board.

An individual Board member acts on behalf of the Board only when, by vote, the Board has delegated authority to the member.

It is the duty of the individual members of the Board to attend all legally called meetings of the Board, except for compelling reasons to the contrary, to participate in normal Board business operations and represent all citizens' interests in matters affecting education.
