

BUSINESS ADVISORY COUNCIL TO THE BOARD

Purpose

The Business Advisory Council (BAC) is a resource of the Milford Board of Education (Board), the Superintendent and the District. The BAC is not a policymaking body, but is an advisory committee - making recommendations to the Board upon matters submitted to it by the Board.

By-Laws

Section 1: Board Liaison

Up to two Board members may be assigned to act as liaisons to the BAC.

Section 2: Chair

The Board will receive applications for and elect by majority vote a BAC chairperson. The chair should be a member of the Milford Exempted Village School District business community - business people who live or work within the District or own or operate a business within the District - to serve a two-year term as chair of the BAC.

Section 3: Composition of the BAC

The BAC will be comprised of eight members in addition to the chair.

Each year the chairperson shall together with the Superintendent of the District recommend four members to serve on the BAC for a term of two years. The membership shall be a diverse representation of the local business community.

Terms of the members will be staggered so that four experienced members serve concurrently with four new members of the BAC.

For the first year the chair will appoint four members for a one-year term and four members for a two-year term.
