

## POLICY REVIEW AND EVALUATION

The Board reviews its policies on a continuing basis in an effort to keep its written policies consistent with community values and compliant with Federal and State law. Well-written, consistent and compliant policies may be used as a basis for Board action and administrative decisions.

The Board evaluates how the policies have been executed by the staff and weighs the results. It relies on staff, students and the community for providing evidence of the effect of the policies that it has adopted.

The Superintendent has the continuing responsibility of calling to the Board's attention all policies that are outdated or need revision. To accomplish this, the Superintendent may request input from any Board or advisory committee.
