

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate conferences, workshops and conventions. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance.

1. The Board periodically decides which meetings appear to be most promising in terms of producing direct and indirect benefits to the District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits which can be derived from participation at such meetings.
2. Funds for participation at such meetings are appropriated on an annual basis in the Board service fund. When funds are limited, the Board designates which of its members participate in a given meeting.
3. Reimbursement to Board members for their travel expenses is in accordance with the Board's travel-expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate are requested to share information, recommendations and materials acquired at the meeting.

Board members may receive compensation for attending Board-approved training programs. A Board member desiring to attend a training program should have the Board take action to approve each training program. Compensation amounts are determined by the length of the program. A program of three hours or less may be compensated at a rate of \$60 per day. A program of more than three hours may be compensated at a rate of \$125 per day.
