

BOARD-SUPERINTENDENT RELATIONSHIP

The enactment of policies, consistent with long-term goals, is the most important function of the Board, and the execution of the policies should be the function of the Superintendent and his/her staff.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the District within the Board's policies and frees the Board to devote its time to policymaking and appraisal functions.

The Board holds the Superintendent responsible for the administration of its policies, the execution of Board decisions, the operation of the District and keeping the Board informed about District operations and problems.

The Board strives to procure the best professional leader available as its Superintendent. The Board:

1. gives the Superintendent full administrative authority for properly discharging his/her professional duties, holding him/her responsible for acceptable results;
2. acts in matters of employment or dismissal of personnel after receiving the recommendations of the Superintendent;
3. refers all complaints to the Superintendent for appropriate investigation and action;
4. strives to provide adequate safeguards for the Superintendent and other staff members so that they can discharge their duties on a thoroughly professional basis and
5. presents personal criticisms of any employee directly to the Superintendent.
