

AUTHORIZED SIGNATURES  
(Use of Facsimile Signatures)

The Treasurer's signature is used on checks, drafts, warrant-checks, vouchers and other orders on public funds deposited in designated depositories.

The Treasurer authorizes these designated depositories to honor any instrument bearing the Treasurer's facsimile signature in a form as he/she may designate and to charge the same to the account as fully as though it bore a manually written signature.

A facsimile signature includes, but is not limited to, the reproduction of any authorized signature by a copper plate or a photographic, photostatic or mechanical device. The Treasurer must notify the designated depositories, in writing, a description of the device used to produce the facsimile signature and a sample of the signature.

The Board purchases a surety bond to protect the loss of any public funds.
