The Board conforms to existing Federal copyright laws and maintains the highest ethical standards in the use of copyrighted materials for instructional purposes.

The Board encourages its staff to enrich the learning programs by making proper use of supplementary materials. It is the responsibility of the staff to abide by the copying procedures and obey the requirements of Federal law. Under no circumstances may employees of the District violate copyright requirements in order to perform their duties properly. The Board is not responsible for any violations of the Copyright Act by its employees.

The Copyright Act affects all employees because it sets guidelines regarding the duplication and use of all copyrighted materials – print, nonprint, music, computer software and others. The Superintendent is responsible for disseminating the guidelines for duplication and use of copyrighted materials to all employees.

Any employee who is uncertain as to whether the use or reproducing of copyrighted materials complies with federal guidelines or is permissible under Federal law shall contact the Superintendent/designee.
