The Board may request that the Ohio Department of Education (ODE) issue an alternative administrative license valid for employing a principal, superintendent or other administrative specialist as specified by the Board.

ODE may issue a one-year alternative principal license, valid for serving as principal or assistant principal, or a two-year alternative superintendent or administrative specialist license at the request of the District. The individual must:

1. be of good moral character;
2. submit to a BCI background check;
3. have a bachelor's degree (for principals and administrative specialists) with a grade-point average of at least 3.0 or a master's degree (for superintendents) with a graduate grade-point average of at least 3.0 and
4. have two or more years of teaching experience or five years of documented successful work experience in education, management or administration (for principals) or five or more years of documented successful experience in teaching, education, management or administration (for administrative specialists and superintendents).

The District provides a mentoring program for alternatively licensed administrators compliant with State law.

For noneducators issued an alternative principal license, the District develops and implements a planned program for obtaining classroom-teaching experience. For non-educators issued an alternative administrative specialist or superintendent license, the District develops and implements a plan that outlines observation or classroom instruction across grade levels and subject areas.
