

PROFESSIONAL STAFF HIRING
(Rehire of Retired Administrators)

When circumstances dictate, and in order to maintain continuity of the District's educational program, the employment of previously retired administrative personnel to fill administrative vacancies may be recommended to the Board so long as all of the following conditions are met.

1. All individual employment contracts expire at the end of the contract period without action by the Board or notice of expiration to the individual administrative employee.
2. A previously retired administrator must execute a written waiver of any evaluation procedures and potential automatic re-employment pursuant to applicable provisions of law.
3. A previously retired administrator must waive eligibility for continuing contract status as a teacher in the District, no matter his/her length of post-retirement service or the number of administrative contracts issued.
4. No previously retired administrator has any expectation of or right to future employment.
5. No previously retired administrator is eligible to participate in any retirement incentive program offered by the Board including, but not limited to, severance allowance.
6. A previously retired administrator must hold a valid license issued by the Ohio Department of Education pursuant to State law.
7. In the event a reduction in force is necessary, previously retired administrators are released before any limited contract administrators and are not eligible for recall. Previously retired administrators affected by a reduction in force may be subsequently rehired at the Board's discretion.
8. Previously retired administrators are entitled to all benefits available to administrative employees, unless otherwise limited by contract or the specific provisions of this regulation.
9. Previously retired administrators return to employment with no sick leave balance, but may accumulate sick leave once re-employed.
