

SUPPORT STAFF CONTRACTS COMPENSATION PLANS

Contracts

All newly hired, regular support staff employees, including regular hourly rate and per diem employees, enter into written contracts for their employment, which are for a period of not more than one year. If such employees are rehired at the end of their first contracts, their three subsequent contracts are for periods of two year each.

After the expiration of the third two-year contract, if the contract of an employee is renewed, the employee receives a continuing contract. The salary provided in the contract may be increased but not reduced unless such reduction is a part of a uniform plan affecting the support staff employees of the entire District.

Compensation Plans

In determining and developing salary schedules for support staff other than administrators, the Board considers the responsibilities of the position, the qualifications needed, past experience of the individual and years of service credit.

Salaries for support staff are reviewed and established annually by the Board upon the recommendation of the Superintendent.

In compliance with State law, employees are notified in writing by July 1 of their salary for the following school year.
