

LATCHKEY PROGRAM

Recognizing the benefits accruing to children from latchkey programs, both in safety and educational experiences, the Board operates a latchkey program within the District.

The Superintendent/designee is responsible for the development of any necessary rules for the program. Public input regarding the program is considered at the formation of the program and when reviews of the program's performance are done.

Tuition and other fees are instituted as needed. Expenditures of funds and the provision of ancillary services are made in compliance with State law.
