

## SUMMER SCHOOLS

The District may sponsor a summer program providing opportunities for enrichment and remedial instruction. Special activities or other programs for which a fee is to be charged may be conducted only with the approval of the Board.

Registration of summer school students shall be according to the following priority:

1. Enrolled Students
2. Resident Students
3. Non-District Students

Non-District students will be assessed an additional fee as determined by the administration and approved by the Board.

Nominal fees for resident pupils may be charged, subject to Board approval.

The summer school curriculum will be established in line with the needs of students and shall be subject to approval by the Board.

Summer school is under the direction of a summer principal. Teachers for summer sessions will be recruited from the District insofar as possible. Upon the recommendation of the Superintendent, the Board will approve summer salaries.
