

DISCIPLINE OF STUDENTS WITH DISABILITIES

The Board recognizes that effective and appropriate discipline for students with disabilities may, at times, differ from effective and appropriate discipline for students without disabilities. The Board does not, however, believe in a double standard for misbehavior and holds the welfare and safety of all persons in the District in highest regard. Disciplinary action of students with disabilities proceeds in a manner that protects the welfare and order of the community as well as recognizes the special needs of the student.

The Board delegates to school officials the authority to enforce District policies, regulations and rules governing the conduct of all students. The District will comply with all State and Federal laws and regulations governing the discipline of students with disabilities. All students, including those with disabilities, will be referred to law enforcement officials when required by law and may be referred to law enforcement officials when their conduct constitutes a crime.

The special needs of the student with a disability are taken into account when setting behavioral expectations. Each case of unsatisfactory behavior by a student with a disability is handled individually in accordance with the student's behavior management plan and interventions articulated in the student's individualized education program (IEP). A student's failure to comply with conduct requirements in student handbooks may result in the student's being disciplined.

If the student does not respond to the measures taken by District staff or to the measures articulated in the student's IEP, the staff member refers the student to the principal or other designated individual. The student may lose rights to participate in school-related social events or extracurricular activities for a period of time determined by the principal, unless such programs are included as part of the student's free appropriate public educational program. Depending on the seriousness of the offense committed by the student, suspension or expulsion may also result, but any change in placement will follow mandated procedures in applicable law.
