

COMMUNITY USE OF SCHOOL FACILITIES
(Equal Access)

Although the basic purpose of public school facilities is to provide the youth of the community a sound educational program, the complete function of education is not achieved until the school facilities are made to serve the entire community. To accomplish this objective, when school facilities are not in use for school purposes, the Board shall, upon payment of the prescribed fee and subject to the requirements of applicable regulations, permit the use of school facilities for auxiliary, educational, recreational, cultural, civic, social, religious or other Board-approved purposes.

The district may rent or lease facilities to a public or nonpublic university for use for evening and summer classes.

Any school within the District receiving Title I funding must offer the same facilities access to Boy Scouts as to other organizations.
