

NO TOBACCO USE ON DISTRICT PROPERTY

The Board has a duty to protect and promote the health and well-being of all students and staff. The Board is acutely aware of the serious health risks associated with the use of tobacco products, both to users and nonusers, and that most tobacco use begins by the age of 18. The Board recognizes that staff and school visitors serve as role models to students and, therefore, adopts this 100% tobacco-free District policy to endorse a healthy lifestyle and prevent tobacco use.

For the purpose of this policy, “tobacco and nicotine” is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette and any other smoking product, and spit tobacco, also known as smokeless, dip, chew and snuff, in any form.

For the purpose of this policy, electronic cigarettes are considered “tobacco.”

Tobacco Use Prohibited

No volunteer or school visitor is permitted to smoke, inhale, dip or chew tobacco and nicotine at any time, including non-school hours:

1. in any building, facility or vehicle owned, leased, rented or chartered by the District or
2. on school grounds, athletic facilities or parking lots.

Tobacco Advertisements and Promotions

Tobacco advertising is prohibited on school grounds, in all school-sponsored publications and at all school-sponsored events. Tobacco promotional items that promote the use of tobacco products, including clothing, bags, lighters and other personal articles, are not permitted on school grounds, in school vehicles or at school-sponsored events.

Providing Notice

“No Tobacco” signs will be posted throughout the District at entrances and other appropriate locations in all academic buildings, administrative spaces and athletic fields. District vehicles will display the international “No Smoking” insignia. Announcements will be made during home athletic events both before the event and during intermission, as well as at all school functions where deemed appropriate. School programs will include a written reminder of the no tobacco and nicotine use on District property policy.

Enforcement

Citizens failing to comply with this policy are educated as to State law and the Board's policy on smoking. Persons refusing to extinguish smoking materials are directed to leave school property and may be fined by the Ohio Department of Health or its designees.

The following disciplinary actions shall be taken against school visitors found in violation of this policy

1st offense: verbal notification of the policy

Multiple offenses: removal from school property or, if off-campus, removal from school activity
