

## RELATIONS WITH OTHER SCHOOLS AND EDUCATIONAL INSTITUTIONS

The Board cooperates with other districts and institutions of higher learning for such purposes as:

1. seeking solutions to educational problems of common concern;
2. offering supporting services of high quality to our students;
3. acquiring federal and state grants and
4. promoting local school system involvement in regional and state decision making.

This cooperation may extend to research, providing transportation for children to special schools and hospitals, coordination of curriculum, exchange of information and data, construction of facilities which may be effectively used on a cooperative basis, sharing of curricular offerings, cooperative purchasing and the coordination of school calendars and activities. This cooperation may also extend to community/charter schools.

Before joining in any cooperative effort and to serve the best interests of the students, the Superintendent investigates and suggests cooperative ventures and provides the Board with supportive documentation prior to the time the Board is asked to act.

### Community/Charter School

The Board considers applications for community/charter schools only if the applicant's proposal contains detailed information addressing all the provisions contained in Chapter 3314 of the Ohio Revised Code. Applications are available in the central office.
