

COOPERATIVE EDUCATIONAL PROGRAMS

State law permits the establishment of joint vocational districts to provide career-technical programs for students from participating districts. The District participates in programs conducted under the auspices of the Great Oaks Institute of Technology (JVSD).

A board of education composed of representatives appointed by the boards of education of the participating districts governs the JVSD. The term of office for each member of the JVSD board of education is three years. JVSD board members are limited to two consecutive terms. Terms are considered consecutive unless separated by three or more years. Members are appointed to the JVSD board by the participating districts in accordance with the JVSD plan. A member will not be appointed to the JVSD board unless they meet the qualifications of State law.

The Board also participates in various programs of the Clermont County Educational Service Center, which assists this District in providing special services to the students enrolled in our schools.
